URBANA, ILL., Aug. 21, 1901.
THIS IS TO CERTIFY that the growing nursery stock and premises of the Cotta Nursery and Orchard Co., situated at Freeport, Ill., have been inspected according to the provisions of an Act to prevent the introduction and spread in Illinois of the San Jose Scale and various insects and contagious diseases of fruits, approved and in force April 11, 1899, and that no indications have been found of the presence of the San Jose scale or other dangerous insect or plant disease. This certificate is invalid after June 1, 1902.
S. A. FORBES,
State Entomologist.
